

SCR Education Scholarship Application

Starting in 2018, SCR will pay for two lucky SCR members to take an EGA Individual Correspondence Course, Group Correspondence Course, Online Class, or an Extended Study Program. The purpose of this scholarship is to help advertise EGA classes and increase awareness and participation, by having individuals who take a class also submit an article for publication in the SCR *Stitches* newsletter.

Each recipient will receive \$200 (\$100 upon approval and \$100 after submission of their article) to spend towards whatever course they want. The money can go to registration, text, and/or supplies. Depending on which class a recipient chooses, the scholarship could cover all expenses. To qualify, each recipient must write a 100- to 200-word article (photos encouraged) for *Stitches*. Recipients will be chosen by the Education Chair and her committee. Articles will be due no later than March 31, 2019.

Applying for a scholarship is easy: just write down a few bits of information like your name, address, what type of course you want to take, and why. The hardest part is keeping your reason to less than 50 words. You don't need to have a financial hardship to qualify. Think about what you would like to study and apply for this scholarship. Who knows, you might be the recipient!

Applications are due on November 15, 2017 for classes to be taken in 2018.
